Aloha and Welcome to Bite Me Fish Market Bar and Grill!

We pride ourselves on bringing you the freshest catch from the sea.

All items are based on availability.

Kona Hawaii is one of the greatest places in all the world for fishing.

When you infuse some good ole southern style with Hawaiian flare you get a place where you can eat what you catch and watch the fishermen weigh their catch of the day allowing you to participate in the excitement of fishing without leaving your seat.

If you want to try to catch your own fish let us know and we will arrange it or if you just want to take home the freshest fish on the island and cook it yourself we have that for you as well.

So sit back and enjoy the best of both worlds as you overlook the Famous Honokohau Harbor and its fleet of World Class fishing vessels.

Thank you for supporting the Local Fishermen of Kona, Hawaii.

All of our fish are caught Exclusively in Hawaiian Waters.

Our fish have **NOT** been Imported, Gassed, Frozen or Hormone Injected.

Enjoy our “Healthy and Fresh” fish caught off the Big Island.

“If it were any fresher, it would still be swimming!”
